

Hello from the coordinates of creativity

Film your next production
with twofour54

Named after the geographic coordinates of Abu Dhabi

symbolic of our goal to put Abu Dhabi on the map as the capital for content creators, twofour54 was launched in 2008 to accelerate Abu Dhabi's media industry. **twofour54 Abu Dhabi is a one-stop-shop for high quality production services, supporting creative teams from around the world to create outstanding content.** Whether you are filming a movie, a series, or a TVC, our goal is to ensure a smooth, seamless experience throughout the entire production process, so that the end result is picture-perfect.

twofour54 Backlot

Our **300,000 sqm** Backlot offers a range of standing sets, construction space and desert landscape that can be adapted to suit your production. On-site support facilities include:

- **219,000+ sqm** of raw, open land for specific production requirements
- **81,000+ sqm** of standing sets
- Availability of makeup, dressing rooms, a large canteen and purpose-built production office
- **1,500 sqm** sound stage
- Coming soon: **Studio City**

twofour54 Virtual Solutions

In partnership with the Canadian media firm Ross Video, **our virtual solutions include Virtual Studios, Virtual Production services, and Extended Reality features.** Featuring the latest 3D graphics and augmented reality (AR) technologies, it the first facility of its kind in the Middle East.

- Unlimited possibilities with interactive virtual production sets
- Maximize indoor productions by creating 3D-worlds and contexts in real-time
- Reduce cost & save time to expedite production

30% Cashback Rebate

The Abu Dhabi Film Commission offers a generous 30% cashback rebate on production spend in Abu Dhabi.

The rebate is applicable to feature films, television dramas (including series), commercials, music videos, other television formats, such as lifestyle and entertainment programmes, digital content services and visual effects (PDV) services. Short-form productions, such as television commercials (TVCs), are eligible for an express rebate.
